

Community Hospital Auxiliary Scholarship Application Form

At Community Hospital we believe in supporting our community through more than just their medical needs. We believe it is our responsibility to educate and reach out to help those we serve when they don't need our medical care. Our facility spends considerable amounts of time and resources giving back to improve the lives of our families, friends and neighbors.

The Community Hospital Auxiliary Scholarship was created and funded by the auxiliary to be awarded to one high school senior, interested in a healthcare career, each year that embodies the spirit of "community" and giving. Please complete this form and the described essay to be considered for this scholarship.

Community Hospital Auxiliary volunteers donate thousands of hours each year to help improve the experience and lives of our patients and their loved ones. In an essay please tell us how you give back to your community to help improve the lives of our family, friends and neighbors.

The essay needs to be at least three paragraphs in length but no longer than two pages single-spaced. Please tell us what service groups or volunteer activities you have been involved in throughout your high school career and explain how they have improved our community. Also include how you plan to stay involved in this community or others when you attend college. Along with your volunteer efforts, please also tell us why you have chosen your proposed field of study or, in general, your ambitions in pursuing a healthcare career.

We thank you for your part in making our community better.
