HANNA MEMORIAL SCHOLARSHIP

As a director for Independent Cattlemen of Nebraska (ICON), Jim Hanna worked tirelessly to further the causes he believed in. One of those causes was the Independent Cattlemen of Nebraska. Jim wrote policy, attended legislative hearings, testified on issues important to Nebraska's cattle industry, co-chaired the annual convention, and was an inspiration to the board and to all who knew him. He felt that one man could make a difference and that it was every man's duty to step up and be involved. Jim had said, "Those who say it can not be done should not bother the man who is doing it."

Jim always insisted that the information which ICON put out was truthful and correct; there wasn't any room for spinning the facts. He was always willing to give of his time and resources. He would stay with the job at hand until it was finished. Jim was a friend to all of us and guided us with his quiet leadership and innate intelligence. His passing has left a hole in our organization which is not easily filled.

With these characteristics in mind, ICON has established the Jim Hanna Scholarship Fund. **It is a \$500 scholarship in Jim's memory open to the *child or grandchild* of any ICON member with a paid membership who plans to attend college in the fall of 2019.** The recipient is allowed to attend any school in any major of their choice. The student must maintain a 2.5 grade point average and be involved in extracurricular activities. An essay on their goals must accompany the Scholarship application by Saturday May 11th, 2019. The funds will be distributed after the student registers and begins the second semester at the college of their choice.

For more information, or to submit an application, write to: ICON, c/o Maureen Cain, 432 N. 10th Ave., Broken Bow, NE 68862, or email independentcattlemen@gmail.com.
